## Introduction

Dear Sici members,

On behalf on the SICI executive committee and the French Inspectorate general, I am happy to invite you to attend the workshop organised in Paris on November 13 – 14, 2017, at the following address :

**CROUS-Résidence Concordia**

**41, rue de Tournefort, Paris 75005**

## General information

As you know, this workshop is part of a series focused on the Impact of inspection, which is the priority theme SICI will explore from October 2017 to October 2018.

**The workshop in Paris will question:**

***The Impact of inspection on education policies***

From a comparative perspective in order to better understand how inspection influences policy makers and what is being done or could be done to increase that influence.

**Speakers** from France and other countries will present the way policy makers in different fields of education take inspection into account. Participants will have the opportunity to discuss the influence of thematic reports with high level administrators and heads of institutions in France in four fields of expertise :

- Life long learning
- Inclusive education
- Teacher training
- Prevention of radicalism

A ***gala dinner*** will be offered to participants on Monday evening. Registration is needed.

## Registration

We would be most grateful if you could complete the registration form by clicking on the picture on the right and send it to :
