Reporting findings on self-evaluation

TASK SHEET

INSTRUCTIONS FOR THE TASK

You have 90 minutes in total for this activity.

For stage 1, you should work in the same pairs as for stage 2 of Module 3 : Part 2.

STAGE 1 (working in pairs): 45 minutes

1. Use the fictitious commentary of findings and the quality indicator (lists of positive and negative features).
2. Evaluate the quality of self-evaluation, on a 4-point scale.
3. List the positive and negative features which support your evaluation, and prepare notes that you will use to 'report back' to the headteacher on your evaluation. Remember, the 'report-back' session should last for no more than 15 minutes.
4. Now join with another pair.

STAGE 2 (working in a group of 4): 45 minutes

1. You will take part in role play. Choose one person from one of the pairs to take the role of the inspector leading the 'report-back' session. Choose one person from the other pair to take the role of the headteacher.
2. The remaining 2 group members should observe and take notes.
3. Act out the 'report-back' session, which should last for no more than 15 minutes.
4. Repeat steps 1 to 3 with different group members taking the roles, while the others take notes. Again, the 'report-back' session should last for no more than 15 minutes.
5. Use the remaining 10 to 15 minutes to discuss the key points noted from the activity.

Return to the plenary session.
